# VECTAIR STARTER PACKS

*Fragrance dispenser packs*

*"Freshness -  
through fragrance  
and technology"*

Of all the senses, smell has the most direct and instantaneous effect on emotions.

The Vectair range of fragrance dispensers has been designed to deliver a variety of high quality fragrances, creating pleasing environments in reception areas, office blocks, meeting rooms, washrooms and more.

Try our range of fragrance starter packs, available in three different dispensers, ready to use and complete with dispenser, refills and batteries for easy installation and operation.
